

Save You a seat

Vers

PreChorus

Chorus

Chorus 2

I can hear the words you speak when the west wind whispers
I can hear your voice ring clear in the evergreens
Am I who you thought I'd be? Am I what you pictured?
Did you have me standin' here in your wildest dreams?

Oh-oh-oh, oh-oh-oh
Just like a memory
You never left me
You just left too soon

I'll save you a seat next to me
You're always at the table
Hope you're proud of what you see
Watchin' with the angels
You're written in my soul
It's your blood that I bleed
Wherever you are, wherever I'll be
I'll save you a seat
