Vers 1:
I'm gonna fight 'em off
A seven nation army couldn't hold me back
They're gonna rip it off
Takin' their time right behind my back
And I'm talkin' to myself at night
Because I can't forget
Back and forth through my mind
Behind a cigarette

And the message comin' from my eyes
Says, "Leave it alone"

Vers 2:
Don't wanna hear about it
Every single one's got a story to tell
Everyone knows about it
From the Queen of England to the Hounds
of Hell
And if I catch it comin' back my way
I'm gonna serve it to you
And that ain't what you want to hear
But that's what I'll do

And the feelin' comin' from my bones
Says, "Find a home"
