[Verse 1]

F G
Your morning eyes
C Am7
I could stare like watching stars
F G C Am7
I could walk you by and I'll tell without a thought
F G
You'd be mine, would you mind
C Am7
If I took your hand tonight
F G C Am7
Know you're all that I want this life

[Chorus]

F G
I'll imagine we fell in love
C Am7
I'll nap under moonlight skies with you
F G
I think I'll picture us, you with the waves
C E7 Am7
The ocean's colors on your face
F G
I'll leave my heart with your air
C E7 Am7
So let me fly with you
F G C Am7
Will you be forever with me?
