

# Umbrella

Chords F / C / em / am am/G

You have my heart  
And we'll never be worlds apart  
Maybe in magazines  
But you'll still be my star

Baby, 'cause in the dark  
You can't see shiny cars  
And that's when you need me there  
With you, I'll always share

Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella

You can stand under my umbrella 'ella, 'ella, eh, eh, eh  
Under my umbrella 'ella, 'ella, eh, eh, eh  
Under my umbrella 'ella, 'ella, eh, eh, eh  
Under my umbrella 'ella, 'ella, eh, eh, eh, eh, eh, eh

# Diamonds

Chords: G / hm / A / A (92bpm)

Find light in the beautiful sea, I choose to be happy  
You and I, you and I, we're like diamonds in the sky  
You're a shooting star I see, a vision of ecstasy  
When you hold me, I'm alive, we're like diamonds in the sky

I knew that we'd become one right away  
Oh, right away  
At first sight, I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright, tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond (whoa)  
Shine bright like a diamond (whoa)  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

# Word Up

Chords: em / D / C D / em

Yo, pretty ladies around the world  
Got a weird thing to show you  
So tell all the boys and girls  
Tell your brother, your sister, and your mama too  
'Cause they're 'bout to go down  
And you'll know just what to do

Wave your hands in the air like you don't care  
Glide by the people as they start to look and stare  
Do you dance, do your dance, do your dance quick  
Mama, come on baby, tell me what's the word

Ah, word up (up)  
Everybody say when you hear the call, you got to get it underway  
Word up (up), it's the code word  
No matter where you say it, you'll know that you'll be heard

# Stand by me

A / A / f#m / f#m / D / E / A / A

When the night has come  
And the land is dark  
And the moon is the only light we'll see

And I, I won't be afraid  
I won't be afraid  
Just as long as you stand  
Stand by me

And darling  
Stand by me, oh, stand by me  
Oh, stand, stand by me  
Stand by me

If the sky that we look upon  
Should tumble and fall  
Or the mountain should crumble to the sea  
And, darling, I won't cry, I won't cry

I won't shed a tear  
Just as long as you stand  
Stand by me

If the sky that we look upon  
Should tumble and fall  
Or the mountain should crumble to the sea  
I won't cry, I won't cry

No, I won't shed a tear  
Just as long as you stand  
Stand by me

# Follow me

F / Bb C 3x F / Bb C F

You don't know how you met me  
You don't know why  
You can't turn around  
And say goodbye

All you know is when I'm with you  
I make you free  
And swim through your veins  
Like a fish in the sea

I'm singin' follow me  
Everything is alright  
I'll be the one to tuck you in at night  
And if you want to leave I can guarantee  
You won't find nobody else like me

I'm not worried  
'Bout the ring you wear  
'Cause as long as no one knows  
Then nobody can care

You're feelin' guilty  
And I'm well aware  
But you don't look ashamed  
And baby I'm not scared

# Beat it

Cm

hey told him, "Don't you ever come around here"  
"Don't wanna see your face, you better disappear"  
The fire's in their eyes and their words are really clear  
So beat it, just beat it

You better run, you better do what you can  
Don't wanna see no blood, don't be a macho man  
You wanna be tough, better do what you can  
So beat it, but you wanna be bad

Just beat it (beat it), beat it (beat it)  
No one wants to be defeated  
Show them how funky and strong is your fight  
It doesn't matter who's wrong or right  
Just beat it (beat it), just beat it (beat it)  
Just beat it (beat it), just beat it (beat it, uh)

They're out to get you, better leave while you can  
Don't wanna be a boy, you wanna be a man  
You wanna stay alive, better do what you can  
So beat it, just beat it (rrr)

You have to show them that you're really not scared  
You're playin' with your life, this ain't no truth or dare  
They'll kick you, then they'll beat you, then they'll tell you it's fair  
So beat it, but you wanna be bad

# Valerie

Well, sometimes, I go out by myself  
And I look across the water  
And I think of all the things, what you're doin'  
And in my head, I paint a picture

Since I've come home  
Well, my body's been a mess  
And I've missed your ginger hair  
And the way you like to dress  
Won't you come on over?  
Stop makin' a fool out of me  
Why don't you come on over, Valerie?

# No roots

Hm 4x em / G A / hm / hm

I like diggin' holes and hidin' things inside them  
When I grow old, I hope I won't forget to find them  
'Cause I've got memories and travel like gypsies in the night

I build a home and wait for someone to tear it down  
Then pack it up in boxes, head for the next town, runnin'  
'Cause I've got memories and travel like gypsies in the night

And a thousand times I've seen this road  
A thousand times

I've got no roots, but my home was never on the ground  
I've got no roots, but my home was never on the ground  
I've got no roots, I've got no roots
